

PANGERAN TOUR

7, 9 & 10-NIGHT TRIPS

— SURF & ADVENTURE · MENTAWAI ISLANDS, INDONESIA

Mentawai *Surf Trip*

A surfing paradise — world-class waves, beachfront living, and the wild heart of the Indian Ocean.

One of the world's most exceptional surf destinations.

Set in the Indian Ocean, the Mentawai Islands are positioned directly in the path of powerful Southern Ocean swells. The islands offer an unmatched concentration of high-quality reef and point breaks, delivering consistent, world-class waves season after season.

The variety of breaks allows for different surfing experiences — from clean, playful waves to powerful, hollow sections — making the region suitable for confident intermediates as well as experienced surfers. Warm water and reliable swell windows create ideal conditions for long days guided by tides and daily conditions, not fixed schedules.

Beyond the surf, the Mentawais remain remarkably unspoiled. Dense rainforests, palm-lined shores, and the presence of indigenous Mentawai communities shape a sense of remoteness and authenticity that grounds each journey.
